<p>1. GRRPAIR-15 told case officers at a recent meeting that during his 11-19 April W/T training in Munich he discovered that the caretaker of the safehouse in which he stayed was a Russian and that this bothered him. He is a staybehind agent who is expected to contact us by W/T if his country is overrun by the Communists, and he, of course, had visions of this Russian reporting him to an Eastern IS. Agent said the man told him himself that he was a Russian in a brief conversation. We explained to agent that these people are all carefully checked and further that if the Russian were on a clandestine mission, he would probably not tell his target he was a Russian.</p> <p>2. Our agents are instructed not to talk to the caretakers; but sometimes this cannot be avoided without appearing suspicious. We assume, as we have told GRRPAIR-15, that these caretakers are carefully checked. (Agent stayed at <u>Identity 1</u>.)</p>
